3. **Annual Inspection (February 27, 2010):** Annual inspection is schedule for Saturday, February 27, 2010. This is a mandatory drill for all hands. The personnel inspection will be conducted for all cadets and officers in dress uniforms, so make sure you have a plastic name tag and all ribbons, insignia and shoulder flashes. If you need any of these items, notify your LPO or Division Officer immediately.

4. **Commissioning of NLCC Training Ship:** On January 23, 2010 we will be commissioning a new training ship for our NLCC cadets. All NLCC cadets and staff will be transferred to this new unit, under the continued command of LT(jg) Owen.

5. **NSCC Study Requirements:** All NSCC cadets are reminded that they are required to submit at least two completed BMR or Seaman Assignments between each drill. This is a requirement for promotion, participation in any advanced training, and retention in the program. In addition, remember that you cannot be promoted without a qualified advanced training to match your study guides. Too many cadets are way behind in meeting these requirements.

When submitting assignments, all cadets are to follow the procedure specified by the training officer.

6. **ID Card Expiration (January - February 2010)**: Renewals need to be requested from ENS Wagner now. This is a requirement for annual inspection.
7. **Recruiting**: All hands are tasked to recruit new cadets and staff for the unit. Remember the recruiting incentive: recruiting three cadets will earn a FREE training for you.
8. **Use the Chain of Command**: If you will be absent or late, please contact your respective LPO or Division Officer.
9. **Military Courtesy**: Remember to render proper salutes and courtesies to all officers and instructors when on the base.
NOTE: I have received several reports of cadets cursing and disrespecting the cadet leadership while at drill. This will not be tolerated and will result in immediate disciplinary action, up to and including dismissal from the program.
10. **Unit Spaces**: All cadets and staff are to enter the building through the rear stairs. Quarterdeck etiquette is to be observed by all members whenever watch is open.
11. **Haircuts (males)**: Make sure your hair meets Navy and NSCC regulations. No excuses or exceptions.
12. **Hair (females)**: Hair must be styled to stay above the collar at all times when in uniform.
13. **Sweepers**: Make sure to double-check ALL areas for trash and other items. No personnel will be dismissed until spaces have been checked and cleared.
14. **Unit Website**: Calendar on website (www.benmoreellbattalion.org) has been updated to include 2010 drill schedule, upcoming summer trainings, and other useful information. Please check the website on a regular basis.
15. **Naval History**: On this date in 1945, carrier aircraft began a two-day attack on Japanese forces, Luzon, Philippines.
16. **Staff Meeting**: There is a staff meeting scheduled for Sunday, 10 JAN 10, at 09:00 at the drill site.
